## OUR STYLE

Your wedding day is very important to us. It will be filled with limitless joy and excitement, and this wonderful day deserves someone who will start off your morning with equal parts enthusiasm and calm. Our favorite part of the morning is when we first arrive, and the room has that quiet buzz of excitement and all the details are laid out just waiting for showtime. Nothing brings us quite the sense of joy as making women look and feel their best on such a special occasion.

We believe in bringing out the best in your features and telling the story of your own unique beauty. We promise to work closely with you to understand your vision for your wedding day and use my experience and skills to bring it to life with an attention to natural texture and soft touchable hair.

## ADDITIONAL ARTISTS

---

If you have any other questions about timing or the number of artists needed, you came to the right place.

**PROFESSIONALS:** Services refers to the total number of hair services on the wedding day. For example: 2 people having their hair done equals 2 services. Additional artists are required when there are more than 7 services booked or timeframes less than 4 hours.

**TIMING:** All weddings are booked for between 4 to 5.5 hours. This allows us to get everyone ready in a reasonable timeframe without having to get your bridal party up too early. The number of artists required to fit in this timeframe is as listed. For shorter timeframes, please inquire for specific quotes. Should your venue have requirements for what time we can arrive to get started, this may necessitate a shortened timeframe and additional artists to complete.

## HOW MANY ARTISTS WILL YOU NEED?

---

Services	Artists
1-6	1
7-12	2
13-18	3
19-22	4
23+	Just Ask Us!

# PAYMENT

Payment for your wedding is done in two parts:

Retainer: 30% of the day-of total is due at contract signing.

Balance: The remaining balance and any add on services is due 14 days before the wedding date so that you can relax and enjoy your getting ready process.

All payments are available online for your convenience.

# BOOKING DETAILS

## CONTRACT + DEPOSIT

A signed agreement and paid retainer fee completes the booking and is typically done no less than 3 months before the wedding date to allow for booking additional artists.

## PREVIEW

At your preview, we will finalize your day of details as well as craft the perfect look for your wedding hair.

## KEEP IN MIND

As with all wedding vendors, we book 6-12 months or more in advance. In Minnesota, late summer and fall dates are closer to 12 months, with winter and spring being closer to 4-6 months. Booking hair is unlike scheduling an appointment at the salon. Inquiries come in daily, and dates book quickly!

That means that while we don't want to rush your decision, we cannot guarantee availability without a completed agreement and retainer.

If you're ready to check one more thing off your to-do list and relax when it comes to booking your hair and makeup, we will provide a link in your attached email! We'll prepare the retainer to hold the date until we meet for a trial, and all you have to do is sign and pay online in just a few clicks.
